### WORK EXPERIENCE

---

#### Consumer Financial Protection Bureau

*June 2024 – present*

- Analyzed over 10,000 consumer complaints to monitor markets and revise complaint form survey questions.
- Collaborated with the website development team to display 20,000 financial education resources in 10 languages on the CFPB website.
- Presented graphics and data findings to about services for older Americans and veterans to stakeholders.
- Led recruitment efforts facilitating a rigorous application process for a competitive applicant pool of prospective financial analysts.

#### School of History and Sociology Graduate Coordinator

*August 2020 – May 2024*

- Developed a registration catalog for graduate courses in the History, Technology, and Society department.
- Collaborated administratively with peers and the Graduate program director to optimize information distribution.

#### Women, Science, and Technology Undergraduate Research

*February 2022 – August 2024*

- Facilitated interviews for partner profiles for a virtual publication and conducting literature reviews.
- Conducted research with Dr. Mary Frank Fox, Dean's Distinguished Professor in Public Policy.

#### Federal Trade Commission – Research Clerk

*March 2022 – August 2022*

- Assisted with policy research and Civil Investigative Demands for attorneys in the privacy division (DPIP).
- Reviewed confidential white papers, transcribed meeting notes, and completed time-sensitive writing deliverables.
- Amplified policy analysis skills through training at the Center for information Technology Policy at Princeton University as a Public Interest Technology Fellow.

### HONORS

---

#### 2022-24 Obama-Chesky Scholarship for Public Service Recipient (Voyager Scholarship Inaugural Cohort)

- Receiving up to \$50,000 in financial aid over the next two years, a \$10,000 travel stipend, and free Airbnb housing to pursue a Summer Voyage and forge new connections throughout my public service career.
- Designed an immersive individual work-travel experience known as a “Summer Voyage” that took place between May and August of 2023 as a member of the inaugural cohort of voyagers.
- Interested in evaluating technological innovations as a response to climate change for people in the United States, I worked with various organizations across Europe to determine best practices for climate responses.

#### 2022 Public Interest Technology Summer Fellow (Center for Information Technology Policy at Princeton)

- Interned at the Federal Trade Commission in the Division of Privacy and Identity Protection (DPIP).
- Invited to the final summit at Princeton University for engagement with Public Interests Technologists.

#### 2022 Tower Award Recipient (Office of Minority Education)

- Achieved recognition for my academic performance during Fall and Spring semesters at Georgia Tech.
- Attended the celebration honoring underrepresented students based on Tower Award Eligibility Criterion.

---
